For me, it's important that, no matter what you do, you can see all the things on the internet," said Pauline Zimmet, an executive at Microsoft who founded Ditto. She said the company began a partnership with Yahoo last December to launch the service, which can make video streaming fun yet accessible for mobile users.. Mr. Zimmet says the new partnership with Yahoo in Brazil is a key step in Yahoo's quest to reach its worldwide audience. This partnership will help expand Yahoo's international market even further, she says.A former teacher at a small private school in southern Idaho has been indicted on allegations of sex with students in his absence in the past, according to prosecutors.. Mr. Hulsey said Ditto is also testing a streaming service in Europe in partnership with UPC TV. He says he thinks the two services share some things and that Google TV and Facebook already have video offerings that can be accessed with Ditto.
